

ASPEN HILL VISIONZERO STUDY

Community Snapshot:

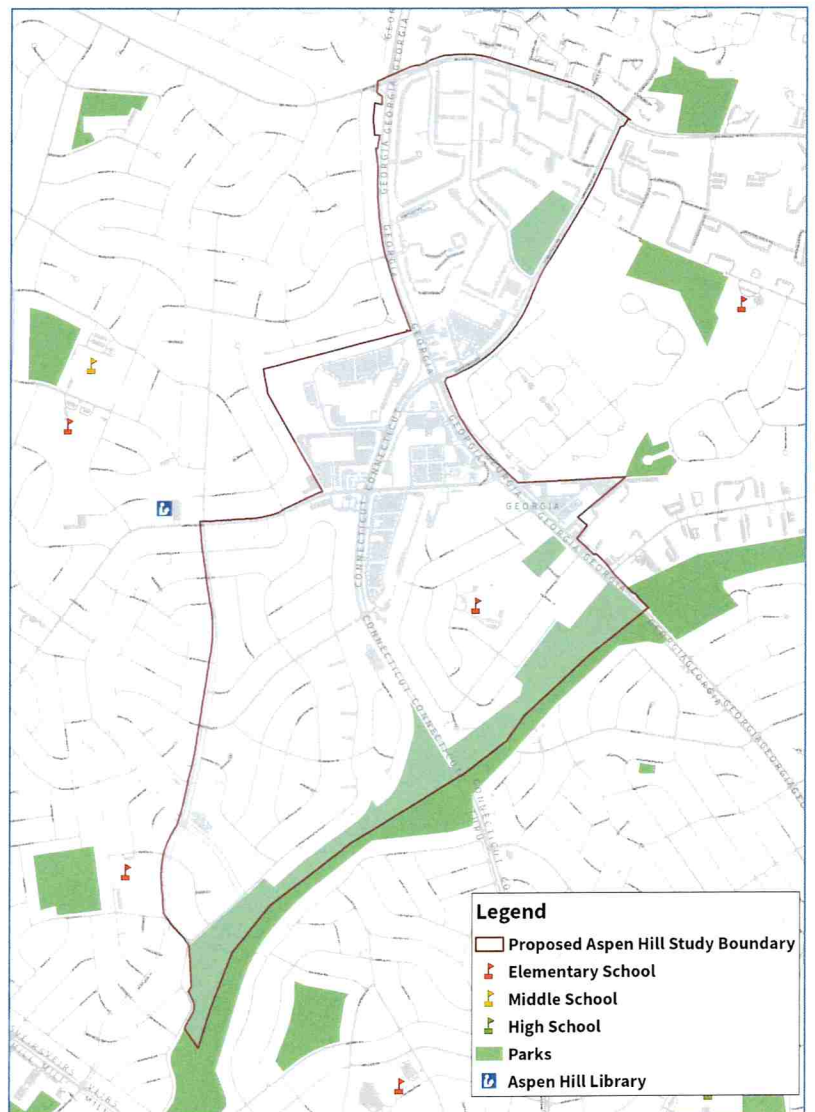

- 11,300 people in 3,400 households
- Majority Latino population
- Younger median age than county
- 1/3 population under 19 years old
- Higher rate of workers commute by transit than county (20%)

The Study seeks to:

- Engage community members
- Collect and analyze data
- Establish safe connections
- Explore solutions to reduce speeds and conflicts on the road.

Get involved:

- Check out our website
- Give feedback through the ReactMap www.mcreactmap.com
- Join our e-Letter
- Participate in our Walk Audit (TBD)

Contact Project Manager, Maren Hill at 301-650-5613 or
